Subject: Juneau Access Road

Use the money to update/improve the ferry service.

DO NOT fund this blight on the Canal.

Protect lives of the traveling public by allowing them to use upated and improved ferry service.

Save money by "deleting" this albatross and using it as a part of the solution not as a continued problem.

No, I am not a member of any anti-road group just a resident of Juneau (past resident of Haines) that see's better use of the money earmarked for this travesty.

Sometimes we wonder why friends keep forwarding jokes to us without writing a word. Maybe this could explain it:

When we are very busy but still want to keep in touch, guess what you do - you forward jokes.

And to let YOU know that you are still remembered , you are still important, you are still loved, you are still cared for, guess what you get?

A forwarded joke

in my thoughts =)
